Highly Commended at 2012 BMA awards in Medicine Category.

This comprehensive, clinically oriented full-color resource offers you a wealth of detailed information on the diagnosis, treatment, and management of allergic diseases—from asthma to urticaria. Thoroughly updated to reflect today's knowledge, this 3rd Edition features all of the latest developments in allergy and immunology. Plus, a consistent, logical organization puts vital information at your fingertips.

- Features abundant algorithms that provide at-a-glance assistance in identifying the allergic conditions you encounter in practice.
- Offers in-depth information in a chapter dedicated entirely to asthma.
- Provides valuable treatment protocols that assist you in prescribing appropriate therapies and effectively managing patients' allergies.
- Includes extensive references that point the way to the key works in the literature.
- Features a new chapter on pediatric allergy, presenting detailed information on this increasingly common condition.
- Presents new authors for 25% of the chapters with 50% of the chapters completely revised and remaining chapters updated to include the most recent knowledge.
- Includes a BONUS CD-ROM containing all of the superb illustrations from the book downloadable into PowerPoint.
- And much more.

From reader reviews:

Debbie Jackson:

Precisely why? Because this Allergy, 3e is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will surprise you with the secret the idea inside. Reading this book alongside it was fantastic author who else write the book in such incredible way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your expertise and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the guide store hurriedly.

Sheila Davis:

Are you kind of active person, only have 10 or perhaps 15 minute in your time to upgrading your mind proficiency or thinking skill also analytical thinking? Then you are receiving problem with the book as compared to can satisfy your limited time to read it because all of this time you only find publication that need more time to be learn. Allergy, 3e can be your answer mainly because it can be read by you actually who have those short spare time problems.

Sidney Robertson:

Reading a book to get new life style in this season; every people loves to examine a book. When you read a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your analysis, you can read education books, but if you want to entertain yourself look for a fiction books, such us novel, comics, and also soon. The Allergy, 3e offer you a new experience in studying a book.

Elaine Sitz:

What is your hobby? Have you heard in which question when you got pupils? We believe that that problem was given by teacher to their students. Many kinds of hobby, All people has different hobby. So you know that little person like reading or as reading through become their hobby. You must know that reading is very important along with book as to be the point. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You find good news or update about something by book. Amount types of books that can you choose to use be your object. One of them is actually Allergy, 3e.
