## Churchless: Understanding Today's Unchurched and How to Connect with Them

Churchless people are all around us: among our closest loved ones, at our workplaces, in our neighborhoods. And more and more, they are becoming the norm: The number of churchless adults in the US has grown by nearly one-third in the past decade. Yet the startling truth is that many of these people claim they are *looking* for a genuine, powerful encounter with God?but they just don't find it *in church*. What are they (or we) missing? How can we better reach out to them? What can we say or do that would inspire them to want to join a community of faith? Containing groundbreaking new research from the Barna Group, and edited by bestselling authors George Barna (*Revolution*) and David Kinnaman (*You Lost Me*), *Churchless* reveals the results of a five-year study based on interviews with thousands of churchless men and women. Looking past the surface of church attendance to deeper spiritual realities, *Churchless* will help us understand those who choose not to be part of a church, build trust-based relationships with them, and be empowered to successfully invite them to engage.
