## **Il viaggio di una stella (Italian Edition)** Susanna Trippa

“Ero ancora io, a New York? Americana di mezz'età, antropologa, archeoastronoma, strana scienziata un poco pazza con venature di misticismo, il pomeriggio di Natale, seduta nel seggiolino avvolgente del mio amato planetario come nella placenta della mia vita? O la giovane ch'ero stata, mentre arrivava oltre il novantanovesimo gradino di Machu Picchu?” Inizia così, da New York alle Ande, un viaggio negli ultimi anni del impero inca, prima della conquista spagnola. Su un territorio enorme, sorprendenti avventure si accompagnano a una vibrante ricerca interiore. Il 25 dicembre di un altro Natale, il terribile rito della capacocha attende, a Cuzco, le processioni dei fanciulli per il sacrificio. I giovanissimi Coyllur e Huantàr riusciranno a salvarsi?. Alla fine arriveranno anche le risposte.
