When you reach a place where you can view setbacks as reminders to appreciate the good things in your life, you have taken the first step to owning your destiny as a happier, more joyful, and more successful person. Carlos Wallace, president and CEO of entertainment management firm Sol-Caritas, has known his share of sadness and loss. In those times, he goes back to the lessons he learned from his parents and grandparents. From their hardship, he draws inspiration for strength. In their history, he finds encouragement for his future. The answers you're looking for are within reach. Perhaps the solution to your problem has already been revealed to you, but how will you know where to find the answers? When things spin out of control and you lose direction, these lessons can help you. Life really isn't all that complicated. People, on the other hand, are. No matter how long it takes to get to where you need to be, as long as you take that first step, you'll be further along than if you did nothing at all.
