## **Psychic Hearts** Olivia Myers

She can listen to unborn babies thoughts, so how could she not realize she was pregnant?

Cassie would spend every moment in a nursing home if possible, because the elderly are quieter than the young, and her psychic abilities make the rest of the world a loud, loud place.

The other thing that dulls her psychic abilities is alcohol, so she parties hard and makes the occasional mistake.

But when she meets Evan, her world is shaken. She thought she had everything figured out, even the newest surprise her risky decisions had brought into her life, but now she has to question everything, including her place in the world and what she really wants to do with her abilities.
