Recipes for Melissa: The heartbreaking story of a mother's goodbye to her daughter Teresa Driscoll

Is it ever too late for the gift of goodbye?

Melissa Dance was eight years old when her mother died. They never got to say goodbye.

Seventeen years later, Melissa is handed a journal. As she smoothly opens the pages and begins to read her mother's words, she is instantly transported back to her childhood.

But returning to her past is painful and memories of her mother's beautiful face are a cruel reminder to Melissa that she'll never see her again.

As Melissa slowly makes her way through the precious book, reading the snippets of advice and cooking the dishes from the recipes she is also shocked to learn of her mother's secrets – secrets that if shared, could change Melissa's world forever.

A beautifully written, heartbreaking and ultimately uplifting story of a mother's loving legacy for her daughter – perfect for fans of Rowan Coleman, Lucy Dillon and JoJo Moyes.
