Grayson (This is Our Life Book 1) F.G. Adams

Growing up in the small coastal town of Florida, Grayson Blackwood has defied the odds stacked against him. Appearances on the outside can be very deceiving. Coming from a wealthy family with an abusive father that won't ever change, he's determined to be a better man. Grayson is fighting for his family, his country, and the only woman he's ever loved.

Ella Anderson has lived a hard life, growing up with a sick mom and a less than upstanding father. From hand-me-downs to food stamps, life was never easy for her family. But the one thing she could always count on was her family's love, and for Ella, that was the most precious commodity.

When Ella moves to Lakeview, she meets Grayson in high school. The attraction is immediate for both. Dubbed as 'just friends', Grayson and Ella forge an undeniable friendship that leads to a powerful promise.

After high school, Ella and Grayson fall out of touch. A one-in-a-million chance meeting halfway around the globe brings the couple back together in a lifeless desert land, a combat zone where death is always present.

Alpha in his own right, Captain Blackwood leads his special ops team into a war-torn country, determined to take down a terrorist, while Ella struggles with the realization that Grayson has found her again.

Will their love survive time and their harsh separation from long ago? Can Grayson show Ella that they were made for each other?

Bluebirds mate for life. And Grayson's Bluebird is coming home.

Author's Note: This is a full-length standalone novel with a happily ever after ending and no cliffhanger. Due to strong language and sexual content, this book is not intended for readers under the age of 18.
