Mia Rojas—codename “Sparrow”—is a freshman at Ingleton Academy, a prestigious institution where young men and women are trained to become the top secret agents of tomorrow. There’s only one problem: Mia is boy-crazy. And in between drinking copious amounts of whiskey, ditching class, and getting into mischief with her roommate Alice Lee—codename “Cobra”—Mia is on the brink of expulsion. When the school threatens to finally kick her out, she is forced to come to terms with the responsibility of adulthood. Mia has to decide what she wants out of life: does she want to be a secret agent like her dad? Or does she just want to have fun, all day, every day?
