Propaganda and the Holy Writ of The Process Church of the Final Judgment: Including The Gods on War Read by Timothy Wyllie, Genesis Breyer P-Orridge, Lydia Lynch, and Adam Parfrey

The celebrated thematic magazines of the notorious Process Church of the Final Judgment cult were created to be hawked on the street in order to raise money and attract like-minded adherents to their unorthodox Gnostic theology.

Printed in order of their first appearance, the *Sex*, *Fear*, and *Death* issues are here reproduced in their entirety in a handsome clothbound book.

The Feral House release *Love, Sex, Fear, Death: The Inside Story of The Process Church of the Final Judgment* by Timothy Wyllie and other ex-members explored the history and aftermath of the notorious organization and the accusations lodged against it. Soon after its publication, Feral House received dozens of requests for full reproduction of the original magazines that are now sold online (when they can be found) for over one thousand dollars apiece.

The magazines reproduced in this book are lionized as being decades ahead of their time in terms of the sophistication of its art and design. The cult was also attacked for including in its *Death* issue a contribution by Charles Manson. This inclusion led the dark-robed cult to be characterized as a sinister death cult.

This book provides an introduction by Adam Parfrey, and by the magazine's original art director, Timothy Wyllie. Adam Parfrey contextualizes the meanings and impact of the magazines on the world at large.
