Reconfiguring the Margins: The Works of Elena Ferrante, History, Poetics and Theory (Italian and Italian American Studies)

Reconfiguring the Margins: The Works of Elena Ferrante, History, Poetics and Theory (Italian and Italian American Studies)

This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known contemporary writer. *The Works of Elena Ferrante: Reconfiguring the Margins* brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre.
