## **Snake Pit Gets Old: Daily Diary Comics 2010-2012** Ben Snakepit

Ben Snakepit returns with an all-new book of daily diary comics, continuing to draw years of his life, day-by-day in three panel comic format. Not knowing what the future will hold and no matter how mundane each appears at the time, an apparent narrative always begins to emerge in Ben's life as characters re-appear and interact with him at "Some Shitty Job," at the local tacqueria, or at home. As the title implies, Ben transitions from the pants-pooing idiocy of youth to the dark, sobering responsibilities of adulthood. Read along in amazement as he quits his bands, gets a real job, has a kidney stone removed and much much more. A truly existential text that can be 18+ fun for the whole family!
