Written to encourage the caregiver, *The Art of Caregiving* will be a candle of joyful hope to the one whose life has taken on unique new challenges when a loved one faces cancer.

Cancer treatment is often a nighttime journey through a wilderness, during which patients and their caregivers are confronted with worry and fear; a journey where the slightest flicker of hope means more than words can express.

Michael S. Barry shows how, with God's help, you can be the light of hope for those who bear the burden of illness.
