Grace Awakening Essence ignites the flame of your spiritual journey with this powerful message. For many years, Diadra Price has been navigating students into a profound understanding of Grace Consciousness as the spiritual DNA of the soul's code. She has gathered her remarkable insights into this volume of wisdom and inspiration. Her teachings address many of the seemingly unanswerable questions about the creative process, answered prayer, karma, destiny, and the nature of Reality in the Cosmic Design. Her insights shift consciousness from law to Grace, empowering you to live from the Essence of Being instead of from the content of your mind. Larry Dossey, MD, author of *Healing the Body* and other breakthrough words says: "Grace Awakening Essence is an inspiring, ecstatic message that will help anyone discover the inner divinity that is their birthright. Diadra Price is a wise spiritual guide who writes with compassion and love. This book contains healing on every page." Through the study and application of the principles revealed, the reader will be able to hear the inner voice of their indwelling Christ Presence, heal any sense of separation, and fulfill the Divine Plan written in their heart. As the portal of the mind opens, the reader is set free in the Original Design of their Divinity.
