Makeda , Supreme Archdomina of House Balaash, is known throughout the Iron Kingdoms for her leadership of the mighty Skorne Empire, but it was not always so...

Before the coming of the Skorne Empire into the west, Makeda was little more than the second child of a great house, but through her will, determination, and adherence to the code of hoksune, she rose above all others.

For the first time the secrets of both Makeda and her people are revealed in the tale of their epic struggle for honor and survival in Instruments of War. A novella of the Iron Kingdoms.
