Land of the Blue Sky People: A Story of the San Luis Valley

Luther E. Bean

Land of the Blue Sky People: A Story of the San Luis Valley Luther E. Bean

From the Introduction: "When the white man came to the San Luis Valley it was held by the Utah Indians who were often called the Blue Sky People by both their friends and their enemies. So in pioneer days the Valley came to be known as the Land of the Blue sky People. This is a story of that interesting region. It is not a history but rather a compilation of many facts and incidents of the area. Life in this high mountain valley has always been intriguing whether the actors were the Indians, the Spanish conquistadores, the bearded trappers, the intrepid scouts, or the more recent pioneers. Each contributed his part in the development of this fascinating region which has become the home of many happy people. Only a small part of the story could be told here, and the remainder has been left for others to record. It is the wish of the author that the readers of the story may enjoy the recitation and come to love, as the does, the Land of the Blue Sky People."
