Master Code Tree-New: The Paradigm (God's TOE) (Volume 5) Katya Walter PhD

Master Code Tree: The Paradigm is Volume 5, Third Edition, in the DOUBLE BUBBLE TOE series. In this volume, Katya Walter, PhD, describes how our universe emerged naturally from a master code. The master code tree grew not only our living bodies, but even our living universe. This master code keeps things stable, yet, paradoxically, it allows enough leeway to let our universe evolve and mature as it compiles, digests, and formulates all events from accomplished alpha to incipient possible omegas.

The code is based on a polarized bifurcation tree. This universal p-tree is truly the tree of life. It is rooted at the deepest level of universal creation. This tree holds in its roots and branches the graviton code that generates the four great primals of space, time, matter, and energy--the building blocks of universal creation. This great tree's fruit is the universe itself.

This volume talks about universal 3D geometry in a new way regarding both space and time. It allows a new formulation of our reality by seeing what our universe is made of...space, time, matter, and energy strung into expansion equations that project the holographic Double Bubble shape in its 11D reality.

The master code is a far vaster application of the same paradigm that we see in our own genetic code. It is embedded in our bodies, our minds, our mythology. You see one interpretation of this tree on the cover of this book. You find versions of this tree in the mythology of many cultures. Often it is called the tree of life. Norse mythology called it Yggdrasil, the World Tree, a great rowan tree located at the center of the world, where Odin willingly hung on it for nine nights in order to learn the secrets of the runes. In another culture, Jesus hung on the wooden cross before being buried for three days and arising to a new identity. That kind of sacrifice symbolizes the effort and commitment needed to enter the hidden domain of the double bubble universe and learn its mysteries.

This book has 15 chapters in 119 sections and 37 listed images, graphics, and charts. It includes a Series Summary, Bibliography, and Reviews. The color ebook version is hand-edited to accommodate color graphics that allow greater distinctions in images and graph data. Its text is completely searchable, it has an interactive table of contents, and 38 active links amplify the materials greatly. Consider getting both the print book and ebook for greater range of information and versatility.

From reader reviews:

Martha Wilson:

Book is to be different for every grade. Book for children until adult are different content. We all know that that book is very important usually. The book Master Code Tree-New: The Paradigm (God's TOE) (Volume 5) has been making you to know about other information and of course you can take more information. It is very advantages for you. The book Master Code Tree-New: The Paradigm (God's TOE) (Volume 5) is not only giving you a lot more new information but also being your friend when you really feel bored. You can spend your personal spend time to read your publication. Try to make relationship together with the book Master Code Tree-New: The Paradigm (God's TOE) (Volume 5). You never truly feel lose out for everything if you read some books.

Nathan Ramsey:

Are you kind of stressful person, only have 10 or maybe 15 minute in your day to upgrading your mind ability or thinking skill actually analytical thinking? Then you are having problem with the book than can satisfy your short time to read it because this time you only find e-book that need more time to be examine. Master Code Tree-New: The Paradigm (God's TOE) (Volume 5) can be your answer mainly because it can be read by an individual who have those short time problems.

Ruth Mullins:

In this period of time globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, magazine, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. Often the book that recommended to your account is Master Code Tree-New: The Paradigm (God's TOE) (Volume 5) this e-book consist a lot of the information of the condition of this world now. This particular book was represented how can the world has grown up. The terminology styles that writer use to explain it is easy to understand. The particular writer made some research when he makes this book. This is why this book suited all of you.

Brooke Fisher:

Beside this Master Code Tree-New: The Paradigm (God's TOE) (Volume 5) in your phone, it may give you a way to get more close to the new knowledge or data. The information and the knowledge you can got here is fresh from the oven so don't always be worry if you feel like an older people live in narrow small town. It is good thing to have Master Code Tree-New: The Paradigm (God's TOE) (Volume 5) because this book offers for you readable information. Do you occasionally have book but you don't get what it's all about. Oh come on, that won't happen if you have this within your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss it? Find this book along with read it from now!
