My Smutty Nurse (Too Hot To Handle) Dalia Daudelin

One sexy nurse is about to find out that seduction is hard to ignore. Will she let herself be *used*?

Sarah Lincoln is a nurse in the pediatric ward. She loves her job, and spending time with the patients.

When she has to pick up a few patients in the adult wards, she doesn't have the same shine. She can't connect with them, and they don't seem to like her, either.

Only, when she puts forth the effort to spend some time with a sexy former soldier, to be a better caregiver, she finds that he might like her a bit more than she first thought.

Can she break through his gruff exterior?

And when she does, will she find a new passion for her work, or for something else?
