Persona Non Grata/ Persona Non Grata, a Memoir of Disenchantment With the Cuban Revolution (Spanish Edition) Jorge Edwards

Jorge Edwards fue el primer escritor latinoamericano en notar que algo iba irremediabilmente mal en la Revolución cubana. Las ilusiones románticas de la primera etapa, que despertaron la esperanza de las masas latinoamericanas y de los intelectuales de izquierda a nivel mundial, comenzaban a resquebrajarse. En Persona non grata el autor narra con agudeza su experiencia en La Habana como representante del gobierno de Salvador Allende, adonde llegó en 1971 con la misión de reanudar las relaciones diplomáticas entre ambos países. Tres meses después debió partir prácticamente expulsado por el régimen castrista.

ENGLISH DESCRIPTION In 1970 Edwards was sent by socialist Chilean President Allende as his country's first envoy to break the diplomatic blockade that had sealed Cuba for over a decade, and open a Chilean embassy. His arrival coincided with the turning point of the revolution, when Castro began to repress the very intellectuals he once courted. Edwards recorded his disenchantment with the revolution in this book that made him a victim of double censorship and was banned by the left as well as the right. Since its publication over thirty years ago, it has maintained its authenticity and is considered the most controversial and notorious work of the winner of the Premio Cervantes 1999.
