Snowed In With My Step (Taboo First Time Fertile Erotica) Q.R. Braddock

**“I don’t care if it’s wrong. Just do it,” I whispered. “Please.”**

Snowed in, just me and my **man of the house**, Kieron. He’s rugged, handsome, and I want him so bad that I don’t care how **taboo and forbidden** it is, or how much **older** he is. I’ve never dared make a move, but I’ll never get a chance like this again. Who better to be **my first**, and if he’s good, I’ll even let him finish in me **without protection**.

I’d tell you more about the story, but Amazon won’t let me, so why don’t you click **Look Inside** to see what it’s all about? I promise you, it’s really hot.
