**The School of Get Shit Done: How Imperfect Action Leads to Success in Life and Business** Chad Prior  
By the age of 40, Chad Prior had lost both his parents and a career he'd poured into for most of his adult life. After ten years of running in the rat race of corporate America, it was time to make the change he always knew he needed. This book chronicles the successes and failures that helped shape him into the man he is today. His journey from success to failure then back to success illustrates that if you are willing to put in the work that others won't, you will have what others don't.
