The Wildings (The Hundred Names of Darkness) Nilanjana Roy

A thrillingly original story of the adventures of a small band of feral cats in Delhi who communicate by whisker mind-link, and face an unprecedented threat to their tribe's survival; for readers of *Life of Pi* and Philip Pullman.

In the labyrinthine alleys and ruins of Nizamuddin, an old neighbourhood in Delhi, India, lives a small band of cats. Miao, the clan elder, a wise, grave Siamese; Katar, loved by his followers and feared by his enemies; Hulo, the great warrior tom; Beraal, the beautiful queen, swift and deadly when challenged; Southpaw, the kitten whose curiosity can always be counted on to get him into trouble... Unfettered and wild, these and the other members of the tribe fear no one, go where they will, and do as they please. Until one day, a terrified orange-coloured kitten with monsoon green eyes and remarkable powers lands in their midst - the first in a series of extraordinary events that threatens to annihilate them and everything they hold dear. *The Wildings* is a gorgeous evocation of Delhi, a love paeon to cats and a rich, often savage tale of survival and conquering one's fears.
