***Asterius* is a short story that takes place around fifteen years before the events of *Icarus*. It can be read at any point in the series.**

Captain Tessa Adrace of Starforce is about to be assigned a mission she will never forget. With strict orders given her directly from the colonel, she must lead her squadron up against an adversary feared throughout the galaxy: Black Dwarf. The odds impossibly stacked against her, but she will stop at nothing until her mission is complete. Even if it means her end.

Asterius is a short story, consisting of 6750 words, or roughly twenty-four pages.
