## **Communion of Saints: Colouring Book** Katherine Sotnik

As with the other popular coloring books in this series, beautiful line drawings based on paintings by great masters grace every page. The holy men and women chosen for this volume are organized chronologically, beginning with the principal characters in the life of Christ, the four evangelists, and the early martyrs, followed by modern favorites such as Therese of Lisieux and Padre Pio. Each lovely image is accompanied by a brief and educational description of the saint's life.
