**While you're off running errands, you ought to let your slow cooker do the cookin' for you with our selection of easy slow cooker recipes like chicken slow cooker recipes, beef slow cooker recipes, and more for the whole gang**

**If you think that your busy schedule will keep you from enjoying hot and savory dishes everyday, then you probably have not yet been well acquainted with the slow cooker**

The slow cooker is an extremely easy to use and quite versatile kitchen tool. All you have to do is assemble a variety of ingredients, throw them into the pot, place the cooker on the right settings, and let it cook for you as you go about your day.

In this book, you will learn how to maximize your slow cooker by preparing delicious and healthy hot dishes for you and your family. All of the recipes in this book are meant for large servings (approximately 8 to 12 servings), which you can adjust based on your needs. You can also choose to cook in bulk and store the extra servings in the refrigerator, so that you can simply reheat them throughout the week.

Choose from 12 soups, 12 stews, 12 casserole and chili recipes, 7 desserts, and 6 beverages to prepare on a daily basis. All of the ingredients are easy to find in your local grocery store and farmers' market. The flavors of these dishes call for the use of a variety of fresh and dried herbs and spices, which are healthier alternatives to MSG and sodium-packed seasonings.

Aside from the 49 hot and savory recipes in this book, you will also have four delightfully easy homemade stock recipes. Making your own stocks will ensure that you are preparing only the healthiest ingredients for your family.

So what are you waiting for? Take that slow cooker out of its box and start cooking!
