**Take off with this dynamic, thrillseeking, sexy New Adult science fiction series debut. Welcome to the exclusive Apollo Academy, where Aurora is about to discover that achieving her dream is only the first step towards her future.**

As the heiress to Titon Technologies, eighteen-year-old Aurora Titon can have whatever she wants — clothes, expensive gadgets, anything money can buy. But all she really wants is to escape her pampered, paparazzi-infested life for the stars. Becoming the first female pilot to train as an astronaut for the exclusive Apollo Academy is exactly the chance for which she has been waiting.

Flying is everything she ever dreamed, her best friend also got into the Academy and the paparazzi are banned from campus. Everything would be perfect, except for her unreciprocated crush on a fellow student, the sexy astronaut bent on making her life hell, and the fact that someone keeps trying to kill her.

The most important education doesn't happen in the classroom...
