African Histories: New Sources and New Techniques for Studying African Pasts Esperanza Brizuela-Garcia, Trevor R. Getz

A multidisciplinary study of African pasts: method, content, ethics and philosophy come together in one place.

African Histories gives readers a rich understanding of Africa's complex history through a wide variety of sources while exposing them to the African voice. The text offers examples of how scholars have, over the past 60 years, demonstrated Africa's detailed history. It is about how historians interpret the past by giving full and adequate attention to the stories of Africans in ways that can be meaningful and acceptable to Africans and researchers alike. The text is titled *African Histories* in recognition of the diversity of sources and ways in which they are examined.
