An invitation to magic...

As the love story between engineering student Arielle Lloyd and her Immortal fiancé, the striking Sebastian Gaulle, continues, Arielle is invited to attend a meeting of the secret Veneti Society. She readily accepts as she must learn to use her powerful amulet and mystical book of spells to protect herself from constant danger.

Dangerous mortals...

Sebastian's company is about to introduce advanced security systems to protect their global operations, but the head of Russian intelligence is determined to infiltrate the company and use it to his own ends. The Russians failed once, but they've vowed to stop at nothing this time, even if it means the destruction of all that Sebastian loves.

A journey to the past...

As a gift from her Immortal friend Eva, Arielle is whisked back in time to the 18th century to a glittering ball in Calais. There, she meets Sebastian as a mortal man, before he was given immortality. Although he does not recognize her, their souls connect instantly. But a jealous Immortal wants to possess Arielle as his own and vows to hunt her through eternity — and he's not the only one. With this new evil threatening her, Arielle's ancient amulet and her powerful friends may not be enough to keep her safe.
