Justin Loves Gay Bondage Play Even More Than Most Other Kinky Guys

But Has His Internet Playmate Taken the Bondage Exploration Too Far?

Justin is in love, but he doesn't know exactly with whom. His girlfriend of several years recently dumped him, and for that reason he's more distraught than he's ever been in his entire life.

In an attempt to cheer him up, Justin's older friend Charles subjects him to some intense and very hot hogtie bondage. Now the younger stud feels he might have fallen in love yet again—but this time with his steaming, sexy new male bondage master.

Now in an effort to find out whether he's gay or straight, Justin decides to meet another gay BDSM dom. He aims to discover whether the bondage and whipping he has enjoyed with Charles will be the same with just anyone—or if he really is starting to fall in love with this man specifically.

Searching the Internet for a Bondage Master

One night Justin meets a new dom on the Internet, and he soon learns that this master, named Doug, has his own dungeon, equipped with as much bondage gear as Justin has ever seen in his entire life. What Justin doesn't yet realize, however, is that when you engage in bondage play with someone you don't know, things can quickly get out of hand.

Now in addition to trying to discover the secrets of his newfound sexual attraction to men, intense gay bondage, and other physical torment and stimulation, he has to fight for his life in a stranger's house who wants nothing more than to take these naughty games far beyond what Justin had hoped for.

Will Justin escape the clutches of a man who knows nothing of respecting safe words or even the bondage men he plays with themselves? And will he find that even in his darkest moments he has friends in the unlikeliest of places, friends who will help him anytime he is in danger?
