## **MGMA Academic Practice Compensation and Production Survey for Faculty and Management (2013 Report Based on 2012 Data) MGMA-ACMPE**

Use academic-specific data to make informed decisions that move your department forward. It's simple: Academic practices, their providers and their managers face different challenges than do private group practices. MGMA-ACMPE recognizes the unique nature of academic practice and provides academic-specific data to address these challenges in the annual MGMA Academic Practice Compensation and Production Survey for Faculty and Management. This means you can be confident that you are benchmarking your practice against the most relevant, reliable and current data in the academic sector. This report can help you analyze the relationship between performance and compensation and provides the critical data you need for continued success in an increasingly complex workplace.
