- PARACHUTE is always current and up to date. •It discusses what has changed about the job-market, and the new attitudes that are required in order to survive therein.
- It aids career-changers, as well as job-hunters, and has a detailed step-by-step plan for identifying a new career, as well as more detailed strategies for locating just the job you want in the geographical area of your choice.
- It has a detailed description of interview questions, and what kinds of answers the employer is looking for, plus step-by-step salary negotiation strategies.
- It is thinner, by 200 pages, than earlier editions, slimmed down for reading (and doing the paper and pencil exercises) in this fast-paced world, where time is precious.
