A Handful of Kings: A Novel Mark Jacobs

With explosive tension and masterful suspense, A Handful of Kings is a page-turning thriller about what really happens in the world of espionage, by an insider who has lived it.

American diplomat Vicky Sorrell learns the hard way that all is fair in love -- and espionage. *A Handful of Kings*, the latest novel by prolific author and former foreign service officer Mark Jacobs, follows Vicky's fast-paced tour of duty -- one where she must decide who the bad guys are, who is lying, and who just might be telling the dangerous truth.

Vicky is changing her life. She is leaving the foreign service and her lover at the same time. But before she departs the U.S. embassy in Madrid for home, a well-known American writer shows up with a strange request. Vicky knows that what the writer wants from her is not necessarily what he is asking. But curiosity leads her to play along, and she is quickly drawn into the murky underground of terrorists and spies into which the writer himself has been reluctantly led. The track she takes is full of wrong turns. And at the end of the tunnel, it's not light she sees but an unspeakable threat to people she loves.

Recalling Graham Greene in *The Comedians*, Jacobs weaves an engrossing story that takes place over three continents and illuminates the unexpected ways people betray and defend one another and, ultimately, how they learn to love.

From reader reviews:

Christopher Milbrandt:

Information is provisions for individuals to get better life, information presently can get by anyone with everywhere. The information can be a expertise or any news even an issue. What people must be consider while those information which is from the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take A Handful of Kings: A Novel as the daily resource information.

John Honeycutt:

Playing with family in a very park, coming to see the coastal world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try factor that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love A Handful of Kings: A Novel, you could enjoy both. It is fine combination right, you still would like to miss it? What kind of hangout type is it? Oh can happen its mind hangout guys. What? Still don't understand it, oh come on its identified as reading friends.

Stephanie Dillard:

Do you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you just dont know the inside because don't evaluate book by its protect may doesn't work is difficult job because you are afraid that the inside maybe not while fantastic as in the outside appear likes. Maybe you answer is usually A Handful of Kings: A Novel why because the excellent cover that make you consider about the content will not disappoint a person. The inside or content is actually fantastic as the outside or perhaps cover. Your reading 6th sense will directly make suggestions to pick up this book.

Eva Lynch:

Guide is one of source of knowledge. We can add our information from it. Not only for students but also native or citizen have to have book to know the upgrade information of year to year. As we know those publications have many advantages. Beside many of us add our knowledge, also can bring us to around the world. From the book A Handful of Kings: A Novel we can acquire more advantage. Don't one to be creative people? To become creative person must love to read a book. Just choose the best book that suited with your aim. Don't always be doubt to change your life with that book A Handful of Kings: A Novel. You can more inviting than now.
