A Simple Thing

Kathleen McCleary

A Simple Thing Kathleen McCleary

A Simple Thing is a lovely, truly heartwarming novel about the drastic measures two mothers take to keep their families safe. Kathleen McCleary, the critically acclaimed author of *House and Home*, tells the intertwining stories of Susannah Delaney and Betty Pavalak. Susannah moves her family to remote Sounder Island—a primitive retreat with no electricity—to escape television, the internet, and the dangerous, corrupting influences of the modern technological world. Decades earlier, Betty also came to the island to escape her demons. *A Simple Thing* is a poignant and unforgettable novel in the vein of Jacqueline Sheehan's *Lost and Found* and *The Art of Saying Goodbye* by Ellyn Bache. It is a tale of family and friendship that Kristin Hannah fans will take into their hearts.
