Containment Eric Red

Screenwriter Eric Red (THE HITCHER, NEAR DARK) offers up a zombie story set in space. On a manned NASA space ship millions of miles from Earth, a terrifying malfunction occurs in the cryogenic hypersleep pods containing the hibernating astronauts, turning most of the crew into the violently brain-dead. In this harrowing outer space tale by Red and artist Nick Stakal (HYDE), a handful of outnumbered astronauts awaken intact from their artificial slumber to find themselves pitted against murderous zombies running amok on the ship.
