**Girl After Dark: The Complete Series (A New Adult Erotic Romance)** Charlotte Eve

**There's So Much A Girl Can Get Up To ... After Dark** *Finally all four books in the Girl After Dark series together in one smoking-hot collection!*

**BOOK ONE** Melissa Lane has it all: a beautiful flat in London, great friends, a cute boyfriend, not to mention the most amazing job ever. Because whenever Melissa turns on her video camera, she transforms into VintageHoney, one of YouTube's most popular fashion bloggers!

But one fateful day that all comes crashing down around her, and Melissa finds her squeaky-clean reputation in tatters. Suddenly the whole internet is gossiping about her now and she just needs to escape.

So Melissa flees to New York, a city where she can finally be anonymous and where she can start all over again on her own. But what she doesn't realise is that love – and lust – are waiting just around the corner in the form of Carson, a mysterious hunky stranger that Melissa just can't seem to escape ...

**BOOK TWO** Melissa is settling into life in New York – making new friends, reconnecting with her dad, exploring the city. And to top it all off her raunchy, anonymous blog, Girl After Dark, is getting really popular.

But there's still one thing that's playing on Melissa's mind: Carson. What should have been a one-night-stand is taking up headspace in a way she wasn't expecting.

As she tries to seek out some more sexy, no-strings-attached fun to write about on Girl After Dark, another part of her can't help wondering if fate has other ideas ...

**BOOK THREE** When Melissa Lane aka Girl After Dark finds herself trapped in a dark situation, it takes a special kind of Prince Charming to come to her rescue.

As her handsome prince sweeps her off her feet, everything should be perfect. But there's trouble in paradise as Melissa finds herself torn between satisfying the demands of her own heart, and those of her blog's readers - all eager to hear more about Girl After Dark's sexy adventures.

She thinks she's found a way of pleasing everyone. But it looks like she's playing with fire, and somebody's gonna get hurt.

**BOOK FOUR** With her life in tatters, is Melissa Lane going to head back to London with her tail between her legs, or is she gonna fight for true love?

She's got a lot on her plate: juggling her sexy anonymous blog, Girl After Dark, and her prince charming, Carson, is hard enough without Esme – the wicked stepmother – throwing a spanner in the works.

Just when Melissa thinks she's finally got her life back on track, she faces her biggest challenge yet, as Esme threatens to ruin everything.

*From the author of the Taming Blake trilogy comes this brand new, smoking hot four-part series. Due to*

*adult situations and descriptions, these books are only suitable for those aged 18 years and older.*
