Hotwire (A Christy Spy Novel) (Volume 2) Cindy M Hogan

Division spy Christy Hadden can't wait for her latest assignment posing as a student at a prestigious New York City academy and car thief extraordinaire.

The best part of the mission is her attractive handler, Jeremy, and her new team. The worst part? The sociopath masquerading as the academy's most popular guy.

But soon she realizes the car thieves are much more than they seem. Her simple spying mission becomes more dangerous than anyone imagined. If the organization discovers her true identity, they won't hesitate to kill her, and if she fails, others will suffer the same fate.

This clean young adult/teen novel with action and adventure as well as suspense with dash of romance is sure to please young and old. This novel can easily be read as a standalone, but it does belong to a series of novels beginning with Adrenaline Rush. You'll love that one too.
