(...) "his travels into Siberia; and on his return, after the lapse of a year, I was married to him, with the consent of General Mouravioffs family, and from the house of the Governor of Moscow a relation of the General's, and I accompanied him during his arduous journeys, which lasted for six years.

The scientific and artistic results of those travels are contained in the two volumes which he published during his lifetime: but there is little allusion in them to the adventures we encountered during those journeys, and, especially, there is no mention of the strange incidents which befell myself, often left alone with an infant in arms, among a semi-savage people, to whom I was a perfect stranger. My friends have so often importuned me to give them some account of what happened to me in countries where an English lady had never(...)"
