The Kabbalah Connection Rav P. S. Berg

Universally acknowledged as the leader of the contemporary Kabbalah movement, Rav Berg wrote this book, one of his first, more than 25 years ago as a basic overview of Kabbalah. For years, it was distributed within the Kabbalah Centre organization. It has now been revised and updated for wider distribution to all spiritual seekers. The book touches on every aspect of Kabbalah and defines all of the terms one needs to know to begin to understand the subject. It explains the connection between the physical and metaphysical worlds, the particular energies of the days, the concepts of time and space, and much more. All of this combines to reveal the tremendous power that each person can tap into by making “the Kabbalah connection” and using this ancient wisdom to achieve personal and global transformation.
