We Own the Night Way of the Vampire Robert Williamson

Leo Jabari just wanted to get the lovely women he had just picked up in the jazz bar back to their apartment for a night of passionate sex. He did not know he was triggering a series of events that would lead to their deaths.

One would die at the hands of a four hundred year old vampire, and the other would be killed twice, first by vampire number one, then by Leo.

If that wasn't bad enough, now Leo had smart and beautiful Detective Angelica Jacobson to deal with, now that she has discovered his secret.

The easy solution would be to kill or turn her, but he was afraid he might be falling for her. A beautiful woman could be dangerous. A beautiful, determined, smart cop could be extremely dangerous.

"Life was so much simpler three hundred years ago", Leo sighed.
