Why I Am So Proud to Be a Black Man: The Many Reasons to Uplift and Celebrate Our Uniqueness in the Universe Mr. Michael Michael

In the beginning, when God created the black man, He gave all his wisdom to his first creations without boundaries and fears. Unfortunately, for far too long, black men have been portrayed negatively in our society and by the daily rhetoric that surrounds us. In their comprehensive study compiled with facts, stories, and historical experiences, husband and wife team Mr. Michael and Ms. C illustrate to all black men that they should no longer feel degraded, but instead be bursting with pride about their heritage. Beginning with essays on life in Africa and the movement of the black man to the United States, Mr. Michael and Ms. C transition into issues concerning the contemporary African American community, providing a glimpse into the truth they hope will help black men gain a clearer vision of their race, others, and our planet. By encouraging black men to face racial hatred and demand respect, Mr. Michael and Ms. C lay a foundation intended to help all black men find the purpose of their existence. Also included are biographies of famous black men who overcame obstacles and changed the world. Why I Am So Proud to Be a Black Man shares the knowledge that can open the eyes, minds, and hearts of the African American community, enabling all to embrace God's first, primal purpose.
