Carrie, a shy insecure woman, considers herself plump and unattractive to men. When she is dumped by her boyfriend, Richard, it dents her already fragile confidence almost beyond repair. She longs to find a man who can dominate and take her at his whim.

Enter David Ashcroft, her boss. He has had his eye on Carrie for quite some time. And what David Ashcroft wants, David Ashcroft gets. His authority and dominant attitude has Carrie begging for more. He opens her up to a world she never knew existed. A world where she is willing to do anything for the billionaire's pleasure.

But when a business deal becomes unstable, everything begins to unravel. A woman from David's past threatens Carrie's trust in him. And a thwarted business rival makes his revenge personal and deadly. Will they be able to overcome all the odds and get to the bottom of a situation threatening to spin out of control? Or is their budding relationship destined to be destroyed through the obsession of others?

If you held the one you love in your arms, would you do anything to keep them safe? Would you do anything for love?
