Discover Why. . . America has such high rates of violent criminal activity, rates of imprisonment, school crime, sexually transmitted disease, teenage pregnancy, and suicide. In a nation that has drifted far from its core moral system, Carl Sommer's hard-hitting expose' reveals the underlying causes and offers common-sense solutions for improving America's education and moral climate. Sommer, an award-winning author and educator, addresses the issues of moral relativism, the rise of anticulturalism, and the philosophical battle raging behind the lack of character in today's society of diminishing values. Character Under Attack examines the issues and provides practical advice on how parents and educators can create a more respectful society and produce successful children prepared to make this world a better place. Recognizing the spirit in which our Founding Fathers established this great nation, you'll discover from this well-documented book what went wrong and what you can do about it. A must for parents and educators.
