Power Ties: The International Student's Guide to Finding a Job in the United States

Daniel Beaudry

Power Ties: The International Student's Guide to Finding a Job in the United States Daniel Beaudry
A book that has spawned many imitations, *Power Ties: The International Student's Guide to Finding a Job in the United States* is the original job search guide for international students planning to work in American. Written by the former head of campus recruiting at Monster.com, and the former Associate Director of Corporate Recruiting at the Boston University School of Management, "Power Ties" has been presented to thousands of international students from over 70 universities and business schools across country, and broadly endorsed by career counselors.

This practical and comprehensive guide will surprise and empower you:

- Why companies often resist hiring international students, and how you can motivate them to hire you.
- Why international students spend too much time on cover letters and resumes.
- What are the biggest mistakes international student job seekers make, and how to avoid them.
- How to build professional relationships that will get you hired, and set you up for success.

There is a reliable path to U.S. employment that has been traveled successfully by many international students over the past 10 years. Learn how they did it, and how you can too!
