Principles of Contract Law (American Casebook Series) Steven J. Burton

Helps students synthesize cases by focusing on principles, policies, rules, and court treatment of authorities. Use of many transitions and original notes written for students. Cases with a contemporary flavor are studied so students can see what types of cases they will face in a few years. Includes disciplined questions for a thorough class discussion and short problems that explore the significance of the main cases. For use in either a half-year or a full-year course.
