**Devlin Sub Rosa (The Devlin Chronicles) (Volume 3) Jake Devlin**  
**Book Three of the Devlin Quatrology**

"I didn't become a 20-million-euro-per-hit assassin overnight."

Assassinations, false flag ops, conspiracy theories, New World Order, ISIS/ISIL, CIA, sex and humor infuse this offbeat thriller by an Amazon Top 10 bestselling author. Readers may even discover where Jimmy Hoffa's body might be hidden.

(Other than the Prologue, this third novel is written entirely in dialogue; no narrator.)

A sequel AND prequel to the first two novels in the series, with most of the characters who remain after the carnage of "Devlin's Defiance." (Oops. Was that a spoiler? Hmm. Not really -- well, mostly not really.)

Like those novels, parts of the story in this one are set in and around a small beach town in Florida, and the author continues to play with the boundaries between fiction, reality and more fiction (again, not much of a surprise). But in this one, not only does he "push the envelope," as the old saying goes, he gleefully leaps far beyond it.

And the reasons behind the author's use of a pseudonym may be revealed, in spite of his objections. (Hint: The CIA and/or NSA may be interested in this ... or perhaps not. After all, these novels ARE total fiction -- well, mostly.)
