Dialog of Catherine of Siena - Enhanced Version St. Catherine of Siena

The Dialog of Catherine of Siena is a practical and compelling work of Christian mysticism. St. Catherine of Siena, a Dominican Tertiary, wrote it "during a state of ecstasy while in dialogue with God the Father." The book contains a dialog between the "Eternal Father" (God the Father) and "a human soul" (St. Catherine). In it, the Eternal Father describes, through many different analogies, allegories, and metaphors, the spiritual life of humankind. In his description, the Eternal Father emphasizes the importance of cultivating virtue, continually praying, and the need for obedience. Written at a time of spiritual and political upheaval, the Dialog of Catherine of Siena remains relevant even to the present day, and any reader will profit from the sound advice throughout this dialogue. Instructive and profound, the Dialog of Catherine of Siena inspires with a revelation from God.
