What in the world does sexuality have to do with spirituality? Most of us treat these two topics like oil and water. Couple that with the fact that sexuality tends to be a taboo subject, and we're left with incredible misinformation about this intimate and powerful aspect of our lives and our identity. This book addresses a "Top 5" list of questions that many of us carry: 1. What does sexuality have to do with spirituality? 2. Are men and women really that different and why does it matter? 3. What does healthy sexuality look like for singles? 4. If everyone's doing it, why save sex for marriage? 5. Is masturbation a sin? If you've struggled with any or all of these real-life questions, this book is for you. Fresh truth from scripture and amazing new revelations in brain science and biology are converging to provide a wealth of insight and a holy invitation: Can we recognize our sexuality as good by God's design? And can we embrace real-life questions as sacred invitations to learn more about the amazing love of God for men and women? "Holy Sexuality has shifted my view of men/women's relationships and taught me to truly value and embrace gender differences" Peter Kapsner-Bible & Theology Bethel University "Creates a beautiful picture of God's design of sex" Vicki Degner-Pastor Church of the Open Door
