## Players of Shakespeare 2: Further Essays in Shakespearean Performance by Players with the Royal Shakespeare Company

This is the second volume of essays by actors with the Royal Shakespeare Company. Fourteen actors describe the Shakespearean roles they played in productions between 1982 and 1987. A brief biographical note is provided for each of the contributors and an introduction places the essays in the context of the Stratford and London stages, and of the music and design for the particular productions.
