But with Dalton's all-too frequent absences from the apartment due to work, however, Chasidy decides she needs to take a risk and look for something a little extra to fulfill her needs on the side.

At first, her plans involve seeking out female companionship to make up for Dalton's lack of appearances- a minor infidelity, and one which she feels might arouse Dalton if he does find out about it. But her desires soon take on an entirely different form, sleek and futuristic, in the shape of a cybernetic, pleasure-driven, XXXL Erobot by the name of Liam.

Soon, she finds, electronically based pleasure may be every ounce as titillating as the real thing...

This steamy book includes scenes of: intense sexual passion, teen love, oral sex, personal pleasure.
