Girls' Day / Boys' Day Minako Ishii

Beautiful photographs capture the essence of two of Hawaii's favorite holidays. Brief text describes the origin, significance, and customs of Girls' Day (March 3) and Boys' Day (May 5), highlighting the similarities and differences between community, school, and family celebrations in Japan and in Hawaii. The binding produces two books in one, with two front covers. Both books include many photos of girls and boys enjoying their special days.
