It's winter in New England but it's hot in Barbados.

Mike and Karen head south with their favorite couple for a Caribbean vacation. They've brought a strong desire for some four-way lovin'...and the toys to do it with. Once they get the fire burning again, it's going to take every inch of their bodies to keep the heat on!

This contains scenes of a very sexual and demonstrative nature. Only read if you are comfortable with reading about explicit encounters between more than two friends. Intended for Mature Audiences Only!!
